Taking Advantange of LocalGovU

LocalGovU makes online learning extremely easy to use and easy to understand. The system is designed to make learning easy for everyone, regardless of their level of technology experience.

- **Available on desktops, laptops, tablets, and smart phones**
- **Available 24/7**
- **Hosted online — all that is needed is an Internet connection**

- **Dozens of general government training courses and hundreds of law enforcement training videos**
- **Certificates of completion for all courses**
- **Customizable training calendar**

- **Available to all UCIP members**
- **Effective for individual and group training sessions**
- **Easy set-up and responsive customer support**

UCIP is committed to providing our Members with on-demand training options. LocalGovU offers essential courses including Sexual Harassment in the Workplace, Defensive Driving Basics and First Aid, as well as specialized courses for the Membership. UCIP Members have free, unlimited access to each course. Contact Alex Getts at (801) 307-2122 or agetts@ucip.utah.gov for any assistance required in setting up and using the LocalGovU platform.
